Club Letter Summer Term

Below are the clubs on offer during the Summer term. If you would like to sign your child up to a club please do so via Parent Pay unless otherwise stated. Places are available on a first come first served basis.

Music groups run most of the year, all other clubs will start week commencing 16th April finish the week ending Friday 13th July 2018.

Please make a note of these dates if your child is participating in a club.

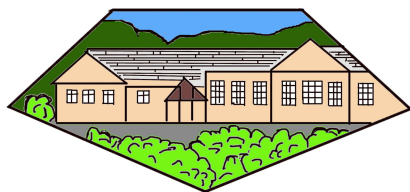

Some clubs are weather dependent and a text will be sent if weather conditions prevent the club from happening.

For sports clubs children should bring a separate sports kit.

For clubs before school, please use the main entrance, for after school clubs please collect from the Year5/6 door at the staff car park.

If you no longer require a booked BASC place because of these clubs you must amend your booking immediately directly with Sarah Stephens to avoid being charged.

*** **Drama:** will initially be open to the existing children as they are in the middle of LAMDA preparations, however should any spaces remain available, it will be opened up to new children.

Karate: The fees here are for the Karate sessions. There will be opportunity for grading and purchase of a suit which are optional and at extra cost. These will be agreed directly with the Karate company.

Pigeon Club: Every morning 8:15 - 8:45 all children welcome. Wait at the main playground gate in the staff carpark at 8.15 or children can be collected from BASC too.

Gardening Club: Every lunchtime for up until May half term - all children welcome. Please let us know if you **do not** want your child to take part in this club.

Woodwork Club: Every lunchtime after May half term - limited to 15 children per session. Children can sign up in school by speaking to Mr Ryan.

Fab Lab Science Club – with brand new activities. The club will run throughout the summer term on Thursdays after school until 4.30pm. **(Please note there will be no sessions on 3rd or 24th May)**. The first session will take place on 19st April. The club will be delivered by an experienced science teacher and aims to inspire students and engage them in all aspects of science. It will provide an opportunity to see and take part in aspects of science that it may not be possible to do during normal lesson time. There will also be links with STEM (science, technology, engineering and mathematics). There will be an emphasis on fun learning of science with standalone activities. Activities include: making ‘poo’ whilst learning about the digestive system, carrying out a helicopter investigation, making fruit batteries and more. Should you require further information then please email info@fablabscience.co.uk.
