1. Minutes from AGM meeting

Agreed

2. Feedback on Polar Express Night – Tracy

Great success – funding raised £712

£5 ticket price was fine and people did pay it – perhaps we undercharged for Halloween disco.

3. Update on Xmas Hampers and Raffle

7 Large hampers – one per class. 3 beauty hampers.

Cost of hampers is £36.

Going really well.

Confirmed we have enough volunteers.

4. Financial Update

£8,200 in the bank. Cloakroom still to be paid for.

ACTION – Rach to bring committed expenditure to next meeting.

Louise Wells raised query in terms of do we know how much we need and what is happening about the playground marking.

ACTION – Laura to approach Mrs Newton to ask for update and an idea of what they would like to purchase and how much.

5. Storage

Debate around storage. Mrs Newton is OK with storage – asked us to approach Mr Ryan when he is back in work to discuss this.

Options discussed included using a storage container, hiring the storage space and speaking to school about their options for storage.

ACTION – Elinor to explore costs for storage options – Please note Jenni has already picked this action up from a previous meeting so may be worth both contacting each other.

ACTION - Laura to speak to school re the storage they may be able to offer. Could we use the basement if we got it damp proofed?

ACTION – Jenni to look at container costs (carried forward)

6. AOB

There is a role for approaching businesses for free PTA equipment / produce.

ACTION - Rachael to discuss with school harnessing the option of using volunteers to assist in school e.g. clearing out basement, clearing playground etc.

Carry forward to future agendas:

- Gift aid
- Cyber safety fundraiser
- Blue Coin Tesco Appeal
