School Car Wash

Dear Parents

We will be holding our next car wash event on Saturday 5th October. If this is to be as successful as last time we really need the support of parents and children to both bring cars along to be washed and also to help out with the washing.

Below is a slip for you to complete should you be able to offer a few hours of support on Saturday 5th October. As you are already aware the school budget is under considerable pressure and events like this can make a real difference, so any support you are able to offer will be very greatly appreciated.

If you want to help out but feel that washing cars is a bit strenuous then don't worry we also need people to serve tea and coffee and to take money on the gate.

Please note that on this occasion we cannot accept children as helpers without an accompanying adult. Adults are more than welcome to attend without a child though!

Please return the slip to the office before Friday 27th September so that we can put a rota of helpers together. Please feel free to do this via e mail at info@diggle.oldham.sch.uk.

Thank you for your continued support
